ITW P to P for MNO and MVNO

Personal inter-operator SMS

ITW P to P for MNO and MVNO

Exchange of Person-to-Person and Application-to-Person SMS between Customers of TIM and Other Operators (MNOs and MVNOs).

Who is it for?

Mobile Network Operators and MVNOs (Mobile Virtual Operators).

Description of the service

The service allows end customers of Mobile Operators and MVNOs to send personal text messages to TIM customers.

Receipt of messages is free of charge for end customers. End-customers bear the cost of sending reply SMS messages, which depends on the tariff plan they have subscribed to.

Service architecture

The SMS is sent through a direct interconnection between the SMS-C of TIM and the Operator's mobile network.

Regulatory Conditions

The service is for:

- Operators with an individual license or a general authorisation for telecommunications networks and services for public use which existed before the entry into force of Italian Legislative Decree no. 259 of 1 August 2003, containing the 'Electronic Communications Code' (referred to in Article 38 of the Code), as last amended by Italian Legislative Decree no. 70 of 28 May 2012.
- Companies with a general authorisation for electronic communications networks and services pursuant to Art. 25 of Italian Legislative Decree no. 259 of 1 August 2003, as last amended by Italian Legislative Decree no. 70 of 28 May 2012.

The service is not subject to regulation.

Prices

The service provides for an inter-operator termination charge that applies to each SMS sent by the end customers of the originating Operator and intended for the end customers of the receiving Operator.

The termination charge applied between TIM and the Operator is reciprocal.
